Volume 109 Number 09 September 2008

Message From The President

All the members who attended the Portal Park BBQ on July 27th know what a great event it turned out to be. If you missed this event you missed something special. This was a multi club event, not only Cadillac Club members, but members from the Lincoln Club, Imperial and Hudson Club. I think we had a record number and variety of cars. If you are one of the many club members who own cars and belong to clubs other than Cadillac (I'm one of them) why not use your influence and see if you can get your other car club to join us in one of our events. Contact Board Member Sandy Carrion our VP / Tour Director and let her know what you can arrange.

If any members know of good sources for old Cadillac Parts and also a good auto mechanic please let me know. I would like to start a list which would be available to all club members. This would be very helpful in recruiting new members and in helping people new to the old car hobby.

If you know of any old Cadillacs or LaSalles for sale and you are not interested, let our Newsletter Editor know. If you know anyone who wants to sell an old Cadillac tell them about the Newsletter, and have them send the information to the Newsletter Editor.

A Word From The Tour Director

This month finds me asleep at the switch and hastily penning this column minutes before the editorial deadline. Lazy summer days are in full force as we near Labor Day and most members are vacationing or maybe just trying to stay cool. Our tour season is bulging with coming events and still offers plenty of things to do and places to see before the end of 2008.

The Alameda NAS tour on Sunday, August 24th was a smashing success! Quite a few old cars showed up, including two surprises from the Nash Club. Packards dominated and were prominently displayed along with a few Cadillacs and the previously mentioned 1930's Nashes. We also had two custom bodied cars that looked like Darrin-somethings but I didn't get a chance to speak to the owners or find out what they were.... only that they were stunning. With the music of Glenn Miller playing softly in the background, the museum itself inspired animated conversation and the lunch was tasty. Thanks to all who participated!

Coming up in quick succession: Saturday, September 6th - Mike Gonzales' **Napa Mystery Tour*** which features a burger stop at Taylor's Refresher Hamburger Restaurant.... last week featured on Food Network's "Drive-ins, Diners and Dives", plus Sterling Vineyards, Calistoga Bottling, and the restoration of a 1956 Coupe Deville. This is a joint tour with the Oldsmobile Club.

At the end of September is the annual trek to the **Ironstone Concours d'Elegance***, which is highly popular and has a devoted following. The very next weekend is the much anticipated **North South Meet***, this year to be held at San Simeon, home of Hearst Castle. The weekend after that is the **Alameda Car Show***, which has its own small following and is, indeed, a club sanctioned event.

On Sunday, November 9th, the **Annual Planning Meeting*** changes locations and formats. It will be held at the Buttercup Grill, 1000 Cotton Street, in Oakland. It is easy to find with excellent freeway access, parking is great, and we'll have our own room. Please start thinking now of an event, plain or fancy, that you might like to present in 2009. Remember, the strength of our club lies in promoting a variety of events that brings our members together in the spirit of fun and camaraderie! RSVP's are due by November 5th to Sandy Carrion (contact information in sidebar on page 3).

Last but not least, our first **Holiday Party** in nearly two decades will be on Saturday, December 13th. In lieu of our erstwhile annual banquet usually held in March, this year we're trying something a little more festive. We'll play holiday games, have prizes, enjoy a very nice meal, and mingle in cozy club-like atmosphere with our own fire pit, private room-length bar, and have the entire place to ourselves!

Your participation is very important! Please support your club by planning to attend as many of these events as you can.

See you on tour,

Sandy Carrion

In Memoriam

Thora E. Neal, Age 95, passed away peacefully in Petaluma after a short illness, with her family by her side, on August 23, 2008. Born in Petaluma to Viggo and Martina Nissen on February 8, 1913 where she went to school and graduated from Petaluma High School. She took piano and organ lessons and played the organ for the Congregational Church for many years. She accompanied numerous vocalists over the years as well as the Minstrels singing group and classmate, Lloyd Bridges, in a high school musical production. After high school, she married the love of her life, Norman Neal, of Two Rock on September 19, 1937. They moved to Two Rock and lived on the family ranch for the 51 years of their wonderful marriage. She has been very active with the Two Rock Presbyterian Church where she was organist for 60 years and started the annual turkey dinner over 50 years ago. In addition to her church, Thora loved her family and friends, her Eastern Star life, her bridge clubs and her garden. Her most loved flowers were roses which were picked and brought into the house for all to enjoy. Thora was preceded in death by her husband, Norman and sisters Edna, Thelma and Elsbeth. She is survived by her daughter, Joan Drees and her husband, Larry, her son Richard and his wife, Eleanor; grandchildren David Drees, Scott and Mark Neal, five great grand children, a nephew and nieces. The family would like to express a special thank you to nurses and physicians who cared for her during her last days at Petaluma Valley Hospital in the ER, ICU and the Comfort Care Unit. Their attentiveness and kindness to her and to the family are greatly appreciated. Family and friends are invited to attend a Celebration of Life service at 11:00 a.m. on Saturday, September 6th at Parent-Sorensen Mortuary, 850 Keokuk St., Petaluma, followed by a reception at the community center in Royal Oaks Park, 1559 Royal Oak Drive, Petaluma. In lieu of flowers, the family requests donations to the Two Rock Church Memorial Fund, 7063 Bodega Ave., Petaluma or your favorite charity.

In Memoriam

Dorothy Mae Ferreira November 10, 1926 - July 31, 2008 Dorothy brought joy and love to all who knew her. Full of laughter and life, she shared her enthusiasm with numerous friends and family who loved her very much. Dorothy enjoyed baking, gardening, reading, crafts, and world travel. She volunteered much of her time helping others, and she gave generously to her favorite charities. Dorothy was born in Oklahoma, and moved in her teens with her family to

Berkeley. She is survived by one brother, George McCants of Redding; and her aunt Jaunita Rider. She graduated from Berkeley High School in 1944, and married Nolan Streeter in 1947. They had five children: Gregory Gerald Streeter, Gina Louise Klee, Michael Eugene Streeter, Lawrence Lee Streeter, and Barbara Jean Hirschey, all of whom survived her. She has many loving grandchildren; and several great- grandchildren. On March 1, 1986, Dorothy married Beverly A. Ferreira, and they enjoyed 22 years of happiness together. Beverly was active in many antique car clubs, and Dorothy soon became the darling of many Concourse D'Elegance gatherings. She will be dearly missed.
