A Message from Your New President - Charles Thompson

It was an honor to be elected President of the NorCal Regional CLC at our recent Board of Directors meeting. Having been a Board member and Editor of the Headliner newsletter since 2001, I look forward to serving the club in this new capacity.

We have an excellent nine-member Board and I'm proud to be one of them. The group is experienced and dedicated, and we spend time at every gathering or meeting discussing what will bring our membership closer together to better enjoy our enthusiasm for "all things automotive" -- especially the products from GM's Cadillac and LaSalle Divisions. I look forward to meeting as many members as possible, and I would welcome hearing from any members who have concerns or ideas about the club.

I don't know about you, but one of the ways I intend to fly in the face of this pesky recession is to keep getting my 60 year old Caddy out on the road, going to events, using it for errands or simply taking a ride. I am continually amazed at how many people smile and give me the thumbs up when they see my old Cadillac. Part of me knows that this is because they think the car is lovely; it's built for fun; and it makes them smile. But another part of me thinks that they view our old cars as graceful symbols of bygone eras – symbols of lasting quality and products proudly Made-in-America. Many of these cars have been through wars, economic booms and recessions, and they continue to provide necessary yet elegant transportation while shrugging off the latest economic woes.

Just last weekend, my '49 convertible hauled me to Home Depot and returned loaded with potting soil, new flower pots and a few dozen plants. Following that chore, it will undergo a bit of spring cleaning and polishing to get ready for the concours and picnic circuit. I encourage all CLC members to get their special cars out and enjoy the season. After all, I read that it's just not good for any old car to languish in the garage or snooze under a tarp. The calendar of events in our newsletter is brimming with "stuff to do," so let's roll!

- *Charles*

San Juan Bautista Tour

Sunday's weather report indicated that we would have some showers early, then clearing in the afternoon but we woke to pretty dry weather and decided to go ahead with the tour. The drive down was pretty dry and we thought we had beat the odds but as we were having lunch at Jardin's a continuous drizzle started. The 4 cars (three 60's era and Joe's '49) and their hardy crews still had a good Mexican lunch and were able to stroll the streets in search of "bargain" antiques, check out the mission and church, and see the Indian Pow-Wow that was in town for the weekend. The attendees included Jerry & Pat Brick, Joe and Mary McDonald, Tim and Dorothy Smyk with their friend Amy, and Harry and Donna Hadley. A bigger turnout and sunny weather would have been nice, but our group had a good time nonetheless-especially so for those who had never been to San Juan before and enjoyed the quaint town for the first time. Our drive home started out with a little rain but cleared up within a few miles and was dry all the rest of the way. Thanks to all who braved the elements and made the tour.

DRIVING TO LAS VEGAS
June 15 & 16, 2009
Grand National— June 17-20

Northern California-Oregon Cadillac-LaSalle Club members are invited to join a group driving to the Las Vegas Grand National.

DAY 1: Sacramento, CA. We will leave from a parking lot (major hotel) adjacent to US 50 and Sunrise Ave. and drive east about 38 miles to: Pollock Pines, CA.
Taking the Sly Park Rd exit off US 50, drive about 35 miles along the Mormon Emigrant Trail to hwy CA-88, the Carson Pass Hwy. From the intersection of CA-88 (Carson Pass hwy) we'll travel east on hwy 88 to Markleeville, CA (about 33 miles). Markleeville, CA to Walker, CA is a 33 mile distance over Monitor Pass. From Walker, CA we will continue south along US 395 following the Walker River, through Bridgeport, and past Mono Lake (about 56 miles) to Lee Vining. Just south of Lee Vining we turn left onto CA-120 which later merges with US-6 which will bring us into Basalt, NV. (about 70 miles). From Basalt, we will continue east on US-6 to intersect US-95. A right turn brings us into Tonopah, NV, hopefully in time for a dip in the motel pool and a snack at a local restaurant. (about 62 miles)

DAY 2: From Tonopah, it is a 200 mile drive south on US-95 into Las Vegas (Participants coming from San Francisco should add 120 miles to Day 1 mileage - Hwy 12 to Jackson, CA to Carson Pass hwy CA-88).

I will be driving my 1939 Cadillac 60 Special so moderate speeds, stops for photos, gas and comfort breaks are expected. This drive is intended to be a leisurely, no-pressure tour. Hotel and meals will be the responsibility of each participant. I will contact hotel accommodations in Tonopah and pass that information along so reservations can be made well in advance.

If you are interested in joining us, or just learning more about the trip, send me an e-mail at baxterculver@yahoo.com or give me a call at 916.482.0474. See you there, Baxter Culver

Treasurers Report: year-end 2008

By Jerry Brick, Treasurer

Shown here is the disbursement by category of our CLC expenses for last year. All our revenue is derived from dues, raffles, and some profit from tours and events. We made a donation to the National Auto Museum in Reno in the amount of $2000, and have made two other donations this year so far to the McPherson College auto restoration program and to our own Cadillac Museum fund (not shown in this report). We are also getting ready to renew a CD in the amount of $10,000, which will drop our operating expense fund to about $5000. As you can see, normally our biggest expense is the newsletter. All those who get their Headliner by email help to reduce not only our expenses, but also their own since the dues are less for the email version.

Marin Sonoma Concours d' Elegance

May 17, 2009
at the Marin County Fairgrounds
San Rafael, California

The Marin Sonoma Concours d'Elegance will bring to Northern California an event inspired by classic European auto shows. In the early years of the motor industry, after cars had developed reliability, auto makers began to focus on style. The first generation of designers was born, and shows called Concours d'Elegance were created.

Cars in these shows were judged solely on elegance of concept and design. At a typical American auto show of today, cars are evaluated mostly on condition. The Marin Sonoma Concours d'Elegance will combine the European and American models of car shows by evaluating individual classes on interior, exterior, engine and chassis then selecting the Best in Show awards based on elegance and design.

You can find additional details at http://www.marinsonomaconcours.org/entrants.htm or by calling 415/479-7227

The Presidio of San Francisco – July 19, 2009

Event is open to the public from 10:00 AM to 5:00 PM. Tickets are $50.00 and must be purchased in advance via our website. Limited parking is available at event site for a fee.
Download the PDF Entry Form at http://www.sfconcours.com/visitor_info.htm.
$65 Entry fee (incl 2 tickets + gift packet). Entry deadline is June 15, 2009.
will combine not only one-hundred years of motorcars on display, but also a Cigar & Cognac Lounge, fashion show, gourmet food and wine tasting. Also special to this event will be both green car and vintage military vehicles displays.

Petaluma's Salute to American Graffiti

Join us each year in May as Cruisin' The Boulevard honors George Lucas' timeless, coming-of-age film, American Graffiti, most of which was filmed here in Petaluma in the early summer of 1972. Grab your favorite squeeze, jump into your hot rod, candy-colored screamin' machine or the family car for that matter, and cruise on back to the "happy days" of the '50s and '60s.

Petaluma's Salute to American Graffiti is a non-alcoholic community-wide celebration! It's family fun for everyone…. from boys and girls to grandmas and grandpas! Proceeds fund our Petaluma Save-A-Life Project, Henry Travers' Memorial Scholarships, Petaluma Museum American Graffiti Exhibit and other projects and programs that support arts, education, history, safety and welfare.

So, put on your poodle skirts, peggers, jeans, white sox and loafers, and come kick up your heels to our live rock 'n roll bands! Grab a root beer float, see if you can still hula hoop and check out all of the cool American classic cars and trucks cruising the same streets where the movie was filmed 35 years ago! As the Wolfman would say: Be there or be square baby!

Danville Hot Summer Nights Hot Rod and Classic Car Show - July 23rd and August 20th 2009

A street party like no other, Danville's Hot Summer Nights Car Shows combine classic cars and camaraderie to create an evening of summer celebration. Downtown streets are lined with muscle cars, hot rods, and vintage rides dating back to 1969—some traditional and some sublime—while live bands play '50s and '60s music to people dancing in the streets. You can also browse the myriad of food, drink, and souvenir booths throughout, or stop off in one of the downtown shops or restaurants.

Admission is still the most affordable in the world of shows -- so far it's still only $10.00! The shows are always on a Thursday -- from 4:00 PM until 9:00 PM. Vehicles must stay until closing. Staging will be at the San Ramon Valley High School on San Ramon Valley Blvd./Love Lane entry. There will be 15 "Random" awards handed out to the vehicles that the Danville Car Show Team likes the most. The Best Classics, Hot Rods, & Customs. Members of our team are real car lovers and we will pick cars we feel deserve recognition. To learn more, contact David Miller at 925/437-3649 or ezasugo@hotmail.com.
