Message From The Editor

Greetings fellow Cad Club Members!

The Winter of 2012-2013 is officially over! March is trudging along, giving us hints of fair weather to come only to douse us with a bit of fog and showers. I hope you are taking advantage of this "calm before the storm" (the old car show storm) to register for a couple of car events and to get the old Cadillac or LaSalle ready for the Spring/Summer/Fall of 2013. Whatever you're up to with your vintage automobile, send a story and photos for the Headliner. My contact information is on the next page along with that of other Board members.

Larry Drees continues to plan an interesting tour of the KRE Radio Museum in Berkely. We will meet for coffee and go see this historical radio museum, then meet again for lunch to talk about what we saw and learned. It will be interesting for all of us who, even at our ages, travel about with a smart phone in front of our faces, or use GPS to find our way around, to see what early communications were like. I hope you will call Larry to RSVP that you will join.

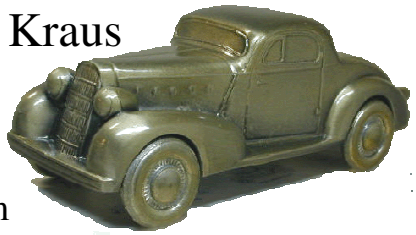

Unfortunately, we had to cancel the tour to Pixar Studios in April. The person who suggested the tour never contacted anyone to flesh out details. C'est la vie! Check out the array of events listed in our 2013 Calendar of Events. If you have ideas for a tour, and especially if you would like to arrange and lead a tour, please do not hesitate to contact any board member. These tours are intended to provide something for everyone. Welcome new members, Marshall and Nancy Kraus!

Check our website if you are connected to the internet. www.clcnorcal.com has loads of information. Our Webmaster, David Brick, keeps the website current, interesting and good looking!

All the Best! *Charles Thompson*

KRE TOUR - MARCH 31, 10:00 AM

From The Birthplace ... Of Broadcasting!™

BAY AREA RADIO MUSEUM

Join us for a tour of the California Historical Radio Society's (CHRS) museum at the former KRE radio station in Berkeley. AM radio has been transmitted since 1937 from this site. It is now the home of KEAR 610 Khz and KVTO 1400 Khz. CHRS has numerous items of radio history on display including many beautifully restored radios from the vacuum tube era. The Bay Area Radio Museum and Bay Area Radio Hall of Fame are also housed here. KRE was the site used for the scenes with Wolfman Jack and Richard Dreyfuss in the 1973 George Lucas film "American Graffiti." KRE is not open to the general public at this time, so this is an opportunity to see this historic building and its' contents. There is no admission fee, but donations are always accepted and appreciated. We'll meet at the north end of Emeryville Market about 10:00 AM for a 10:30 AM departure for KRE about 0.6 mile away. Peet's Coffee is located in Emeryville Market for those that need to get their heart re-started.

Directions to Emeryville Market from I-80 near the Bay Bridge maze:

Exit at Powell Street and proceed eastbound for .08 miles to Christie Ave. Left on Christie Ave for .06 miles. Right turn onto Shellmound Way for .08 miles. Left turn onto Shellmound Street for .3 miles to north end of Emeryville Market.

After the tour, we will return to our meeting point at the Emeryville Public Market where there are a number of ethnic food vendors and a common seating area. Upon finishing lunch, the ladies will have an opportunity to "Spend freely without guilt" at the nearby 4th street shops in Berkeley.

Please RSVP by March 27th to Larry Drees at 510-222-0451, jldrees@comcast.net or by snail mail at 4805 Santa Rita Road, El Sobrante, CA 94803.

At right is how the KRE Building appeared in November 1999, as viewed from the Ashby Avenue freeway overpass. The building was unoccupied except for the AM transmitters that broadcast from the new tower. The grounds are enclosed by cyclone fence and heavy vegetation, but this did not stop graffiti artists from leaving their mark on this once proud building.

In 2003, an agreement was reached between Inner City Broadcasting, owners of the building, and the California Historical Radio Society (CHRS). The CHRS occupied the building, and restored it as a clubhouse and radio museum. The photo above with Larry's 1941 Cadillac shows improvements made in 2006. The KRE building is once more a proud icon of radio broadcasting in the Bay Area. For more information about CHRS and the KRE project, visit their web site at CaliforniaHistoricalRadio.com.

In Memoriam -- Lelio Giorgi (1923 - 2013)

We were saddened to hear about the loss of a dear member of our NorCal CLC. Obituary was as follows:

Lelio Giorgi
Sept. 6, 1923 - Feb. 1, 2013
Resident of San Mateo
Lelio Giorgi passed away peacefully on February 1, 2013 in San Mateo.
He now joins his wife of 66 years who preceded him in death in 2011. They will be interred together at Skylawn Memorial Park overlooking the Pacific Ocean and the Peninsula where they lived together for 52 years and raised a family.
He is survived by daughter Donna Weingarten, son-in-law Larry Weingarten, daughter Laura Carpenter and five grandchildren and two great grandchildren.
Lelio was born in San Francisco and faced many obstacles after his Father died when he was only 14 years of age. He worked hard to help support his Mother and brother by getting a special driver's license due to his young age. After graduating from high school, he went into the Army and met and married Gloria during the war years. After he came home from serving his country, he worked hard and was able to provide his family with a good life. Many good times were had whether it was water skiing at Clear Lake, entertaining friends or restoring classic old cars after he retired. Lelio was always quick to help a friend and will be remembered for his generous spirit. Some of you may remember receiving endless bags of biscotti as he aged and could no longer work on your cars!
If desired, donations may be made to Pathways Hospice 395 Oyster Point Blvd., #128 So. San Francisco, CA 94080.

47TH ANNUAL PALO ALTO CONCOURS D'ELEGANCE

June 30, 2012

The Palo Alto Concours is scheduled for June 30th. Cadillac is a featured marque, and the Concours committee is encouraging members of our club to register and participate in the event. Early registration before March 8th is $55; between March 9th and March 29th, registration is $75; and March 30th through April 19th, registration is $100. **Final deadline for application to be received in the office is April 19th**

The Entry Form Packet is an 8-page document with everything you need to know about the events of the weekend, as well as the entry form itself. You can download the packet from http://paconcours.com. If you cannot download the registration, contact Car Entry Registrar Robin Wilson at email robin8118@att.net. If you need additional assistance with registration, you can also contact Charles Thompson (Editor of The Headliner) at 415/519-7468 or Cadillac1949@aol.com. I can send you a paper copy of the packet.

The Concours also plans to present short seminars on different subjects and would like to see if anyone from our club would like to do a presentation -- perhaps a bit of history on your own car or any other automotive history. This seems like a good opportunity for a small group to present as a team. If you're interested, contact Christine Cheshire whose contact information is in the letter below. Here is a copy of the letter received by Carolyn Dippel, our NorCal CLC President.

Good Afternoon Carolyn

My name is Christine Cheshire and I am the Executive Director of the Palo Alto Concours which is the charitable arm of the Palo Alto Host Lions Club. This year the Concours will be held at the San Mateo County Event Center in San Mateo California on June 30, 2013.

We are very excited that our American Marque for this year is the Cadillac. The European Marque is the Ferrari.

As the Cadillac will be a major draw to the Concours, we would love to have as many cars from various years either as Concours judged or exhibit cars, or car clubs that would just love to be in the Corral. Any information you could provide to help us with contact information of clubs and Cadillac car enthusiast within our community would be greatly appreciated.

We will also be presenting short seminars at the Concours on different subjects and since the Cadillac is the Marque it might be fun to have someone from within the Cadillac community be a presenter of Cadillac history or perhaps another interesting Cadillac subject.

I have copied Rob O'Neill, our Car Entry Chairperson who selects and coordinates the cars. More information and entry forms can be found on our web page http://paconcours.com

Please do not hesitate to contact Rob with car questions, or Robin Wilson with registration questions whom I have copied.

Please contact me with information in regard to anyone who might be interested in being a presenter.

Thank you for your consideration. We look forward to hearing from you and Cadillac owners who would love to part of this event.

Sincerely,

Thanks for all you do for Charities
