CLC Presidents Message

Autumn is here it's a great time of the year. There are still some big events to attend. September 23 is Ironstone Concours one of my favorites. It's a wonderful show. The drive alone is worth it! Also consider the Sausalito Car Show or Niello Concours (*see calendar*). If you can try to attend the annual North South Meet on October 13-15 in San Louis Obispo at the Apple Farm (*see insert*). We will need your input at the Planning Meeting, please come with your ideas November 4.

Mark your calendars for our Holiday Party Luncheon on December 3 at Val's in Daly City. Details will in the next newsletter. Maybe Charles will invite wonder women.

Jeff Nielsen
CLC President

Welcome New Members...

Please welcome **Michael Gutman and Trudy Levy of San Jose** to our club. They are good friends with Don Barnes and they have been attending the Ironstone Concours for a number of years. Also, Michael is a very good photographer.

Charles Thompson writes...At the Board of Directors meeting held on June 24th, the Board approved a \$1,000 donation to be made to the California Auto Museum on behalf of our NorCal CLC membership. The museum has been conducting a fund raising project to replace their aging and leaking roof and plans to start construction within the next month. Board member, David Barnhardt, brought this situation to the attention of the board. During the drought-breaking rainy season of 2017, docents at the museum had to move some cars away from leaks and place tarps over them. They had to move buckets from drip to drip in an effort to keep the museum dry. They are eagerly looking forward having this problem rectified this fall.

The museum continues to seek funding for their new roof and they have an Adopt-a-Car program. There are two Cadillacs' in the museum that are available for "adoption", a 1937 & 1949 sedan. Plus, there is a whole list of other makes waiting for adoption. You can read all the details: <https://www.calautomuseum.org/>. If you would like to make a personal donation or adopt a car, please contact them directly.

The museum is located South of Old Sacramento,
Front Street and V Street, north of Broadway.

CLC Donates to Tam High School

By Charles Thompson

We are all set to present our donation check to the
Tam High School Auto Shop instructor.

Monday, October 2
12:30 pm
700 Miller Avenue
Mill Valley, CA

Please let me know
if you'd like to attend this brief presentation followed by
the students taking a look at whatever cars we bring.

This is an effort to support students interested in auto
mechanics and restoration. Feel free to invite others
who may want to join us.

I will give a brief presentation to the Tam High School
auto mechanics class with a check from our club for
\$1,000.00. I am told they are in need of tools and that
this donation will go along way in helping them provide
tools for the students. Come if you can; bring an older
car; feel free to share this with others you know who
would like to attend and support the students.

EXTRA! EXTRA! CLC NEWS

Pacific Coast Air Museum - Wheels and Wings Car Show **BY CHARLES THOMPSON**

Photos from PCAM car show July 15, 2017. There was a lot to see at this car show set among vintage aircraft. Attendees were able to climb aboard many of the old aircraft and sit in the pilot's seat or in a gun turret. While it was hot enough to soften the tar between the sections of concrete runway, there was plenty of shade in the open-air hangar where hotdogs and beverages were being sold, and tables and chairs were set up. There were vendors, military recruiters, helicopter
