Phil Toy's Cadillac Club Slide Show Car Talk
Get Together at his Gallery Car Haven

What a wonderful day of car fun sharing each others passions. Phil narrated over 200 photographs starting in 1975 from overview of beginnings, shoot with KQED/PBS special on the Archeological Finds of The People's Republic of China, to editorial magazines, architectural/design firms, advertising agencies, hotel/resorts to shooting his love of automotive beauties.

This five-decade journey of professional photography has inter-faced with so many intriguing people and clients that has enriched, challenged, and grown his experience with 30 national awards credited. This journey will never end as making photographic art is part of his soul, giving pleasure with his vision and creations.

This was such an amazing event. It included Phil & Kelly's cars surrounding their lovely Eichler home in Walnut Creek. The love of Cadillac's was well felt. Everyone brought a wonderful dish to share.
